WHERE ART MEETS LIFE

About ShenArts:

The Shenandoah Arts Council (ShenArts) is a local nonprofit organization that supports the arts through programming, instruction, and exhibition throughout the Northern Shenandoah Valley.

ArtScape in Old Town Winchester

ArtScape was created in 2009 for the purpose of providing a free and accessible outdoor gallery experience in the cultural hub of the community. The colorful banners add interest to the downtown streetscape, showcase local art, provide a unique advertising opportunity for local businesses and a reason to slow down and take in the scenery.
