WHERE ART MEETS LIFE

ArtScape was created in Old Town Winchester in 2009 to provide a free and accessible outdoor gallery experience in the cultural center of the community.

These colorful banners showcase local art and add visual interest to the downtown streetscape, while providing a unique advertising opportunity for local businesses.

Now in its 14th year, ArtScape has expanded to showcase the work of regional artists on 53 banners located throughout downtown Winchester and 10 banners in Middletown.
